

You're invited to a Free Continuing Education Event.

Lindner Center of HOPE in Cincinnati, Ohio, to help launch its new Adolescent Comprehensive Diagnostic Assessment and Intensive Treatment Program, invites you to join us for networking, dinner and a continuing education lecture:

Work in Progress: Adolescence and Mental Health 1.5 CEU Credit Hours

Presented by:

Elizabeth Wassenaar, MD, Lindner Center of HOPE Adolescent Comprehensive Diagnostic Assessment and Intensive Treatment Program

Nicole Gibler, MD, Sibcy House at Lindner Center of HOPE, A comprehensive diagnostic assessment and short-term intensive treatment program for adults

As adolescence is such a tender time, accurate diagnosis, effective treatment planning, and the development of a solid blueprint for treatment success and realistic future focus is even more crucial. This lecture will enhance your understanding of the adolescent brain and mental illness in adolescence, while providing insight into the potential life-saving impact of thorough and accurate diagnosis.

By the end of this presentation, attendant will be able to:

- Identify the developmental tasks of adolescence
- Identify brain changes in adolescence
- Understand mental illness in adolescence and the challenges of diagnosis
- Describe components of a complete diagnostic workup and their value

1.5 CEU Credit Hours Offered.

Lindner Center of HOPE provides excellent, patient-centered, scientifically-advanced care for individuals suffering with mental illness. A state-of-the-science, mental health center and charter member of the National Network of Depression Centers, the Center provides psychiatric hospitalization and partial hospitalization for individuals age 12-years-old and older, outpatient services for all ages, diagnostic and short-term residential treatment services for adults and adolescents, intensive outpatient program for substance abuse and co-occurring disorders for adults and research. The Center is enhanced by its partnership with UC Health as its clinicians are ranked among the best providers locally, nationally and internationally. Together Lindner Center of HOPE and UC Health offer a true system of mental health care in the Greater Cincinnati area and across the country. The Center is also affiliated with the University of Cincinnati (UC) College of Medicine.
