

In compliance with state law, Lindner Center of HOPE is providing this price list containing our room and board and ancillary services. The hospital charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or under insured patients should consult with a hospital financial counselor regarding financial assistance policy. Total charges for services will reflect a compilation of the per day room and board rate and the costs of all services provided during the stay.
