Grateful Patient and Family Program

Perhaps it was a kind word or a gentle smile that brought comfort to you or your loved one while receiving treatment at Lindner Center of HOPE.

The Grateful Patient & Family Program provides you the opportunity to say thank you to the caregivers who made a difference to you, and were there when you needed them most.

**Gifts from you will help:**

- Advance and support mental health care treatment;
- Fund current programs and services;
- Support innovative clinical education programs;
- Underwrite the cost of new equipment and technology; and build new facilities for the health care needs of our community.
Say “Thank You” in a Meaningful Way

Make your gift today in honor of a physician, therapist, nurse, caregiver, or staff member who made a difference to you.

Gifts may be designated to a specific clinical area or program, or may support an area of special meaning to you and your family. While keeping the dollar amount confidential, we send acknowledgment cards to a member of our treatment team, announcing that you have recognized them.

Planting Seeds for HOPE Helps the Center Grow

When you contribute financially to the Grateful Patient & Family Program, you recognize and celebrate the excellence of care you or a loved one received at Lindner Center of HOPE, and in turn, you are planting seeds for HOPE — helping others receive outstanding treatment.

The promise of HOPE for people who suffer with mental illness is at the heart of our mission at Lindner Center of HOPE.

Giving HOPE to patients happens in many different ways — through expert medical care, compassionate nursing, inspirational stories of resiliency, volunteerism and financial support for needed programs and important research.

Complete your gift card today and mail to:

Lindner Center of HOPE
Development Office
4075 Old Western Row Rd.
Mason, OH 45040

Or, make your gift online:
