WILLIAMS HOUSE CONTRACT

Lindner Center of HOPE (The Center) appreciates the confidence you have shown in choosing us as your treatment care provider. Our patient and family-centered treatment philosophy requires that we openly communicate our policies and expectations about payment for our services before treatment is initiated. Please take a moment to familiarize yourself with this agreement prior to signing.

PAYMENT RESPONSIBILITY:

I, the undersigned, acknowledge that I am financially responsible for all charges associated with services provided to the patient named below through the Williams House program. I understand that payment outlined below is due in full prior to admission to the Williams House program and full payment prior to the start of additional services. I understand that interruption of a program for a clinically determined medical condition will result in suspension of the program until such time as the patient is cleared to complete the program. Patient will be entitled to any remaining prepaid days of treatment. If the medical condition requires detoxification on the unit during the Comprehensive Diagnostic Assessment program, additional days will be charged or testing will be completed to the extent possible within the 14 days. ***For the youth requiring additional staff due to higher levels of acuity or risk will be charged an additional daily fee of $400.00***. Payment for the additional days must be received prior to the end of the original contract term. At my request, The Center will inform me of their ability to assist me in billing my insurance but will not be responsible for appeal and follow-up on claims. Furthermore, I acknowledge that Williams House services are only in-network services with Humana Behavioral Health but not any other insurance plans regardless of whether Lindner Center of HOPE is an in-network provider. Any refunds due as a result of insurance reimbursement will not exceed the amount paid per the contract.
