The Impact of Trauma on Child Development and Wellbeing Throughout the Lifespan

PRESENTED BY: **Megan Schrantz, EdD, LPCC**

Lindner Center of HOPE, Therapist

REGISTRATION: lindnercenterofhope.org/referrers-impact-of-trauma-webcast/

Participants in the webcast will be able to:

1. Discuss how adverse experiences can greatly impact the cognitive, social, and emotional development of children and adolescents.
2. Identify how trauma-informed treatment can reduce the negative effects of these experiences and promote resilience.

Please watch
for upcoming
webcasts.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and the Lindner Center of HOPE. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

The Ohio Psychological Association under approval number P099-311067501 (2010-2012) approves the University of Cincinnati College of Medicine Department of Psychiatry for 1 mandatory continuing education credit for Ohio Licensed Psychologists.

Lindner Center of HOPE has been approved by the State of Ohio Counselor, Social Work, Marriage and Family Therapist Board as an APPROVED PROVIDER (#RSX090801) for social work continuing education units and as an APPROVED PROVIDER (#RCX071001) for counselor continuing education units. This program has been approved for 1 clock hour of CEU.

DISCLAIMER

The opinions expressed during the educational activity are those of the faculty and do not necessarily represent the views of the University of Cincinnati. The information is presented for the purpose of advancing the attendees' professional development.
