Screening -- When is it too much?

PRESENTED BY: **Chris Tuell, , EdD, LPCC-S, LICDC-CS**, Lindner Center of HOPE , Clinical Director of Addiction Services

REGISTRATION: lindnercenterofhope.org/screening-webcast

Participants in the webcast will be able to:

1. Identify a better understanding of Internet Use Disorder and the impact upon youth.
2. Explain the relationship between Internet Use Disorder and mental illness, and the implications this has for treatment, health and wellness.
3. Recognize the role of the addictive brain in the relationship to Internet Use Disorder.

Please watch
for upcoming
educational
opportunities.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and the Lindner Center of HOPE. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

The Ohio Psychological Association under approval number P099-311067501 (2010-2012) approves the University of Cincinnati College of Medicine Department of Psychiatry for 1 mandatory continuing education credit for Ohio Licensed Psychologists.

DISCLAIMER

The opinions expressed during the educational activity are those of the faculty and do not necessarily represent the views of the University of Cincinnati. The information is presented for the purpose of advancing the attendees' professional development.
