

YOUR MIND. YOUR BUSINESS. :

ADDRESSING MENTAL HEALTH FOR LEADERS

WEDNESDAY, APRIL 22, 2020 • 8:00-9:30 AM

Register Today: <https://tinyurl.com/tex5og6>

In this time of uncertainty, anxiety and mental health issues are becoming more commonplace than ever. Yet, many of us do not address our own issues, primarily due to not knowing where to turn.

Join us for an insightful webinar with some of Greater Cincinnati and Northern Kentucky thought leaders as they take the mask off of mental illness. Hear their personal stories, challenges, impacts on their businesses, lessons learned, and how they found and give hope and inspiration.

PANELISTS:

Tarita Preston
Moderator, Owner,
The Curated Coach

Mike Glen
Vice President,
Business Development
& Innovation, Lindner
Center of Hope

Kendra Ramirez
Owner, Kendra
Ramirez Digital
Agency & Reset
(Mindset Community)

Mike Sipple, Jr.
President, Centennial
Inc.; Founder of the
Talent Magnet
Institute.

E. Todd Wilkowski
Partner, Frost
Brown Todd
Attorneys

The panel will also share resources for yourself, your family, and your employees. You'll takeaway helpful tips on how to better recognize mental health issues, gain greater understanding and compassion, and how to help and inspire others.
