WHAT IS LCOH MYCHART?

LCOH MyChart is a free, safe and secure online application that allows you and any other Lindner Center of HOPE/Lindner Center of HOPE Professional Associates patient* to access, manage and receive your personal health information from a mobile device, tablet and computer any time. *LCOH MyChart is separate and distinct from My UC Health and therefore must be activated even if you are currently established on My UC Health.*

*Available for patients ages 18+.

WITH LCOH MYCHART, YOU CAN:

Connect with your healthcare providers virtually

- Meet with providers via virtual visits
- Request prescription renewals.

Access your medical information online

- Receive test results.
- Review your medications, immunizations and allergies.
- Receive preventative care reminders, health education information and discharge instructions.

Manage your appointments

- View details of your past and upcoming appointments.
- Update your information prior to appointments.

Access your family's medical information

- Parents or legal guardians of children and dependent adults may request proxy access to view portions of their loved one's medical records.

Make payments

- Pay your copay

*Other features may become available over time.
