

The following groups and therapy sessions meet regularly at Lindner Center of Hope or virtually. All persons attending, except staff and current inpatients, must check in at the Welcome Center. Individual dates are listed on the events page on our website at [www.lindnercenterofhope.org](http://www.lindnercenterofhope.org).

## Body Image Group

10 week (includes commitment session) CBT group focusing on body image awareness, coping with triggers, and learning self and body acceptance. Will include media awareness and mirror work.

Intended For: Age 18 or above. Engaged in outpatient treatment at least monthly. Struggles with body image most days. Not imminently a threat to self or others. Clinician agrees to this referral and to maintain part of treatment throughout group.

Location: Via Zoom

Maximum Number of Participants: 6-8

Dates/Times: Thursdays from 4-5:30 pm

Contact: Jenny King, 513-536-0606

## Chronic Illness Psychotherapy Group for Adults

This group provides an opportunity to connect with others living with a chronic illness while learning skills to not only cope with chronic illness but invest in a life worth living in the body you have. The group will focus on processing struggles related to living with chronic illness for adults as well as DBT skills and principles of self-compassion to cope with the reality of living with chronic illness in a world that often doesn't understand.

Location: Via Zoom

Dates/Times: Wednesdays from 1-2pm every other week

Contact: [michaela.little@lindnercenter.org](mailto:michaela.little@lindnercenter.org)

## DARTT - Developmental and Relational Trauma Therapy

This 8-week group will focus on learning more about how childhood trauma affects us as adults and to connect with others who have similar experiences. Childhood trauma comes in all kinds of forms, including continual neglect, constant invalidation, regularly experiencing harsh criticism, and/or physical, emotional, or mental abuse. Intended For: Those age 18 and above engaged in outpatient treatment at least monthly, those who struggle with low self-worth, negative self-talk, difficulty setting boundaries, people-pleasing behaviors, and/or perfectionism, not imminently a threat to self or others. This Co-ed group is open for patients with a variety of diagnoses.

Location: Via Zoom Maximum Number of Participants: 12

Dates & Times: **Tuesdays at 4pm starting on March 3rd**

Contact: Jenny King, 513-536-0606

## Dialectical Behavioral Therapy (DBT) Skills Group for Adults & Adolescents - Virtual or in person

Dialectical Behavioral Therapy (DBT) is geared toward individuals who experience difficulty regulating their emotions, tolerating distress, and having healthy interpersonal relationships. DBT has four skills modules: Mindfulness, Distress Tolerance, Emotion Regulation, and Interpersonal Effectiveness to help address these areas of difficulty. It balances the need for the person to make changes along with respect for how painful life is for them. This group is open for patients with a variety of diagnoses.

Location: Via Zoom or in-person at Lindner Center of Hope

Maximum Number of Participants: 12

Dates/Times: Mondays at 9 am\*, Tuesdays - 4 pm, Wednesdays - 3 pm\* and 7 pm (Adult)

Wednesdays - 3:30 pm\* (Young adults); Tuesdays and Wednesdays - 4 pm\* (Adolescent); Thursdays at 4pm in-person Adolescents in high school (possibly mature 8th graders)

Contact: Jenny King, 513-536-0606

## Dialectical Behavioral Therapy (DBT) Group (Co-ed) - In-person

In-person DBT group on Monday nights at 6 pm and Wednesdays at 4pm. This will be co-ed, so all adults are welcome.

Location: Lindner Center of Hope

Maximum Number of Participants: 10

Dates/Times: Monday nights at 6 pm and Wednesdays at 4pm

Contact: Jenny King, 513-536-0606

## Divorce Support Group

This group provides an opportunity to transform your life if you are going through a divorce. Divorce can be an opportunity to leave your old way of life and enter a new way. This group will help change the cultural paradigm of divorce, seeing it as an opportunity rather than a failure or cause for despair. It is time to change the paradigm, considering a successful marriage one which encourages growth rather than simply a long-standing one.

Location: Via Zoom

Maximum Number of Participants: 10

Dates/Times: Tuesday evenings, 5:00-6:00 pm

Contact: Jenny King, 513-536-0606

## Eating Disorders Family Support Groups

### Harold C. Schott Eating Disorder Program Introduction into Eating Disorders / Caring for the Carers: Eating Disorder Support Circle

This group is focused on providing basic information about eating disorders and how to support a loved one through recovery. The group follows a structured curriculum providing psychological, nutritional, and medical information about eating disorders and discussions of treatment protocols. After completing the 4-week introduction, group members are invited to continue in the general Caring for the Carers: Eating Disorder Support Circle which will provide space for individuals to share their experiences and process the challenges of supporting someone through recovery. All groups are facilitated by an experienced professional member of the Harold C. Schott Foundation Eating Disorders Program. For the protection of patients and families, confidentiality is expected within this group.

Location: Via Zoom

Dates/Times: Tuesdays, 4:00-5:00; Contact Kathryn Bruno (513) 536-0214

### Harold C. Schott Eating Disorder Program, Caring for the Carers: Eating Disorder Support Circle

This group will offer education, support, and feedback for families as well as a caring and safe environment to express concerns. Group members will have space to share their experiences, challenges, and feelings with others who truly understand the complexities of supporting someone through recovery. The focus of the group is to provide emotional support, practical resources, and guidance to help individuals navigate the journey alongside their loved one while also taking care of their own well-being. All groups are facilitated by an experienced professional member of the Harold C. Schott Foundation Eating Disorders Program. For the protection of patients and families, confidentiality is expected within this group.

Location: Via Zoom

Dates/Times: Wednesdays, 4:00 - 5:00 pm; Contact Kathryn Bruno (513) 536-0214

## Ehlers-Danlos Syndromes Psychotherapy Group

Whether you're in the process of getting diagnosed or have lived with the condition for decades this group provides an opportunity to connect with others living with EDS while learning skills to not only cope with chronic illness but invest in a life worth living in the body you have. The group will focus on processing struggles related to living with EDS for adults as well as learning DBT skills and principles of self-compassion to cope with the reality of this chronic illness that impacts every system of the body.

Location: Via Zoom

Dates/Times: Mondays - 5:30-6:30 pm

Contact: Chae Little at [Michaela.little@lindnercenter.org](mailto:Michaela.little@lindnercenter.org)

## Gamblers Anonymous

The purpose of Gamblers Anonymous (GA) is to provide support and a structured environment for individuals who are struggling with compulsive gambling. The organization helps members understand that they are not alone in their addiction and offers a community where they can share their experiences, challenges, and successes. GA operates on the 12-step recovery model, similar to Alcoholics Anonymous, and aims to help members stop gambling, rebuild their lives, and prevent relapse. The group's focus is on creating a safe space where people can find encouragement, strength, and accountability to support their journey toward recovery.

Location: Lindner Center of Hope

Dates & Times: Tuesdays: 7:00 - 8:30 pm

Contact: Dr. Chris Tuell 513-536-0640

## Grief Group for Children and Adolescents

This is a 10-week group with the goal of providing a supportive space for children and adolescents kids (ages 8-11) and adolescents (ages 12-16) to process various forms of grief. Experiences may include: death of a loved one, loss of a friendship, family changes associated with divorce or remarriage, loss of health or abilities, or transitioning to a new home/school/state. Kids and teens will have the chance to share their experiences with peers, develop coping skills, and express emotions.

Location: Via Zoom

Dates & Times: Tuesdays (Kids), from 5pm-6:00 pm beginning 1/13/26 to 3/17/2026

Thursdays (Adolescents), from 5pm-6:00 pm beginning 1/15/26 to 3/19/26

Contact: Amber Walczyk, LPC Amber.Walczyk@LindnerCenter.org

## Intuitive Eating Group\*

Learn to eat with intention, attention, and enjoyment in this 10-week group focusing on mindfulness, intuitive eating, & body awareness.

Intended For: Adults (age 18 or above). Struggles with mindless eating (i.e., binge eating, compulsive eating) most days. Not imminently a threat to self or others. Patients do not need to have an eating disorder diagnosis to benefit. Engaged in outpatient treatment at least monthly. Clinician agrees to this referral and to maintain treatment throughout group.

Location: Via Zoom

Dates & Times: Tuesdays from 3:30-5 pm

Contact: Jenny King, 513-536-0606

## LGBT Support Group

LGBTQIA Group (18+); discuss issues pertaining to identifying as lesbian, gay, bisexual, transgender, queer/questioning, intersex and asexual. Develop a supportive, safe community that promotes connection and a strong sense of self and identity.

Location: Epic

Limited to 10 participants

Dates/Time: Wednesdays; 4:45-5:45p

Contact: Jaime Bishop at Jaime.Bishop@lindnercenter.org

## Managing Adult ADHD

This online group is open to adults (18+) who have been diagnosed with ADHD or are in the process of seeking a diagnosis.

Location: Via Zoom

Dates & Times: every other Friday 4:15 – 5:15 PM or every other Thursday at 9:00 AM

Contact: Chae Little at Michaela.little@lindnercenter.org

## Men's Support Group

Men's Group provides a space of support and community so that members can explore their roles in life, relationships, personal integrity, and what gives their life meaning and purpose. Group members are able to suggest topics and request materials when they need additional support. Topics include aspects of positive masculinity, initiating and maintaining relationships, fair assertion of boundaries, listening to others' needs, and developing a sense of personal integrity.

Location: Lindner Center of Hope

Dates & Times: 1st and 3rd Wednesdays of each month 6:00 - 7:30 pm

Contact: Dr. Noah Lankford, noah.lankford@lindnercenter.org

## Occupational Therapy LGBTQIA+ Body Image Group

What: This is a 6-week closed group series for LGBTQIA+ adults to connect, explore body image, and find support for everyday life.

Who: adults 25+ years of age who identify in the LGBTQIA+ community, especially individuals who struggle with body image distress that is getting in the way of their ability to function in daily life. Group members should be stable in their mental health treatment when applicable.

Location: Lindner Center of Hope

Dates/Times: Once weekday evening each week for 6 weeks starting in **March 2026 (TBD)**

Contact: Bridget Farrell directly at Bridget.farrell@uchealth.com
