Psychedelic Assisted Psychotherapy: A Brief Overview

PRESENTED BY: **Laurie Little, PsyD**, Chief Patient Experience Officer and Staff Psychologist, Lindner Center of HOPE

REGISTRATION: lindnercenterofhope.org/news/events/psychedelic_assisted_psychotherapy

Participants in the webcast will be able to:

1. Identify 3 psychedelic medicines that are used to treat mental illness.
2. Describe research that supports the use of psychedelic medicine in the treatment of anxiety, depression and PTSD.
3. Describe the current laws and restrictions regarding the use of psychedelic medicines.

Please watch
for upcoming
educational
opportunities.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and the Lindner Center of HOPE. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

The Ohio Psychological Association under approval number P099-311067501 (2010-2012) approves the University of Cincinnati College of Medicine Department of Psychiatry for 1 mandatory continuing education credit for Ohio Licensed Psychologists.

This activity has been approved for 1 clock hour of CEU by The State of Ohio Counselor, Social Work, Marriage and Family Therapist Board.

DISCLAIMER

The opinions expressed during the educational activity are those of the faculty and do not necessarily represent the views of the University of Cincinnati. The information is presented for the purpose of advancing the attendees' professional development.
