Foundation

February 1–2, 2025  
Saturday & Sunday

**The Online OCD Camp is a weekend full of interactive sessions, educational activities, and FUN for youth aged 6-17 who have OCD or a sibling with OCD. In addition to programming for elementary, middle, & high schoolers, OCD Camp also offers support for caregivers and families, including strategies and education about caring for a child with OCD and socialization with families with similar experiences.**
